Advanced LaTeX 2ε Workshop

Naoki Pross — Open\OST

- X. November — 17 to ~19
- Campus Rapperswil Room X.YYY
- OpenHSR/LaTeX-Workshop
- Bring your laptop!

Do you know LaTeX? Did you spend countless hours trying to understand the gibberish the compiler was spitting out? Me too, let me give you a few tips.

- Intermediate users with a love-hate relationship with LaTeX
- Presentation
- Workshop content
  - Do's and Don'ts, understand the compiler
  - Packages and classes
  - Introduction to TikZ
- Extras (if there is time): Plots with Python (or Matlab/Octave), Make and PGFPlots.
